

REMARKS

In the first Office action, the Examiner rejected claims 1-9 under the judicially created doctrine of double patenting (over the claims in U.S. Patents No. 6,065,000, which issued from the underlying parent application to the present application). Applicant is including with this Amendment a Terminal Disclaimer that overcomes the above-identified rejection.

Accordingly, applicant respectfully requests reconsideration, and allowance of the present application.

Respectfully submitted,

KOLISCH HARTWELL, P.C.
